Ms Galina Zenin, from Bonkers Beat Music Kinder & Childcare, was selected to present at the 2010 and 2011 Innovation Showcases conducted by the Innovation and Next Practice Division on behalf of the Victorian Department of Education and Early Childhood Development. The Innovation Showcase is a significant statewide event which has been conducted annually for the past 5 years. Eight hundred delegates attended in 2010 and over 1000 in 2011.

Galina's sessions were extremely well received, with feedback indicating that participants appreciated both her presentation skills and subject knowledge. She was very generous with her time in following up with workshop participants and her passion and commitment to early childhood education is exemplary.
