RE: Bonkers Beat Childcare Centre**

Bonkers Beat Childcare Centre and Preschool has participated in the Placement Program for Monash University Education Faculty during 2010 and 2011. We anticipate their ongoing participation in 2012 and beyond.

We have found Bonkers Beat Childcare Centre and Preschool to be very enthusiastic and cooperative in providing quality placements for our Education students, and look forward to continue working with them in the future.

Yours sincerely
